

**READY  
TO DRINK**

**TOTALLY  
WITHOUT  
ALCOHOL**

The dealcoholized Needle Black Forest Gin meets a perfectly balanced tonic water in this Ready-2-Go can. The unique SOLOS process removes the alcohol from the classic Needle gin, concentrating the

flavors of the botanicals - spruce needles, juniper, citrus, coriander, lavender, allspice and ginger - in the same process and adding them back to the alcohol-free distillate. Unique: alcohol is extracted, not flavored with water.
