MEET ROSÉ WINE

FOREST

All you need

The two belong together: Spruce needles and rosé wine! No more deciding whether to have a glass of gin or wine, because now two glasses become one. The fine, berry yet dry taste of Baden rosé wine meets the well-known Needle spice of

juniper, spruce needles and citrus notes. The unique taste is refined with rose petals for a high-quality and harmonious mild sweetness. As a gin and tonic, this Black Forest gin not only impresses gin lovers, but also wine connoisseurs.
