

EVERMANN

BLACK FOREST WHISKY

THEO'S
A REAL
ADVENTURER

reddot winner 2022
packaging design

Theo Evermann, a real bon vivant. His roots are in the Black Forest, his character worldly and American-inspired. The balanced flavour of German malted barley and full-bodied grain is distilled twice on Black Forest copper stills in the pot still process, creating a particularly smooth character. Theo matures in

four different types of cask. This exciting and carefully blended whisky is rounded off with the use of pure Black Forest spring water. An enjoyable modern whisky that impresses in its own right but is also ideal for mixing long drinks and cocktail creations thanks to its versatile character.
