Theo Evermann is a true bon vivant with roots in the Black Forest and a cosmopolitan outlook. Inspired by international influences and shaped by the German art of distillation, the brand stands for modern whisky enjoyment with a sense of origin. Theo Evermann Blended Whisky is produced from German malted barley and selected grains. Double distillation using the traditional pot-still method, maturation in four different types of cask and finishing with pure

Black Forest spring water give it its balanced flavour and pleasantly smooth character. Theo Evermann Whisky Cola brings together German whisky and Germany's iconic cola. In collaboration with Afri Cola, the iconic brand with a history dating back to 1931, the result is a harmoniously balanced ready-to-drink long drink that combines Black Forest whisky expertise with the unmistakable flavour of a German icon.
